The Book of Nehemiah – How the story unfolds

Week 1: The Foundation Stone: God's call to fix it (Nehemiah 1 and 2 verses 1-8) – prayer is vital

Nehemiah was dismayed when he learnt that the wall of Jerusalem has been broken down. Nehemiah prayed to God then approaches the King. The king allowed Nehemiah to go home to rebuild the wall.

Week 2: The Building Site: God's call to build it (Nehemiah 2 verse 8 and chapter 3) – trust God together

When Nehemiah got to Jerusalem, he inspected the wall to see what must be done. Nehemiah put the people to work rebuilding the wall. Each group of people had one section of the wall to repair.

Week 3 : The Security Guard: God's call to defend it (Nehemiah 2:19 and chapter 4) –faith in hard times

While the people were working on the wall, their enemies Sanballat and Tobiah made fun of them. The people carried weapons in case they were attacked as they worked on the wall. Nehemiah helped the people solve problems that came up.

Week 4 : The Building Inspector : God's call to enable it (Nehemiah 6 : 1-16) – no one can stop God.

Enemies tried to get Nehemiah to leave Jerusalem. They even threatened to report to the king that Nehemiah was planning to fight against the king. The wall was completed in only 52 days! Even the enemies knew that God helped the people do it.

Week 5 : The Architect's plan: God's call to remember it and proclaim it- (from Nehemiah 8, 10 and 12) – God has a big plan and wants us to pass on to others what He has done.

After the wall was built, the people turned to Ezra to hear the words of the Lord. Ezra read the laws and the people shouted, "Amen ! Amen !" The people worshipped the Lord and asked God to forgive them for their sins.

The wall of Jerusalem was dedicated to God. The men, women and children were full of joy! Nehemiah helped the people obey God's word.
